

READ HOW TO AVOID BREAKING STATE LAW: *Move Oregon's Border* is not doing a statewide petition this year. Each of our petitions can only be signed by people registered to vote in the specific county mentioned by the petition. If you want the petition for another county, check our website GreaterIdaho.org to see if it is available yet. You don't have to be a resident to collect the signatures: only to sign. So you can collect signatures for multiple counties at the same time if you printed out petitions for each county.

Believe it or not, YOU are a petition circulator. Anyone may collect signatures. If you observed the signing of each signature on the sheet, afterwards, you may sign the bottom of the page as the petition circulator. Make sure you do- a signature is required at the bottom. Even if the only signature you gather is your own signature, you can still be the petition circulator for that page. If you leave it unattended, someone might spoil it by signing it without you witnessing the act. If you leave it out in public, then pick it up again when you are not attending it.

Page 3 and 4 MUST be printed back-to-back on a single sheet of paper to be accepted by the state. Both pages must be printed on the same sheet of paper. Print on 8½ by 11 inch white paper of at least 20lb weight (normal paper). Print each page at least once, and print page 3 and 4 as much as necessary, and bring them when collecting signatures. If you can't figure out how to turn the paper over to print back-to-back, ask a copy store to do it; but if you only want to collect one signature, you may email us at bm1greateridaho@gmail.com for an e-sheet. E-sheets are printed too, but only on one side.

Many Oregonians have found that the state recently messed up their voter registration. When someone is

willing to sign, first ask them to help you verify that his voter registration is **active** and located in the correct county. They can not sign unless this is true. They can update their registration online on the spot, with their current address. Keep your phone on a voter registration site such as:

Recruit: If someone signs, ask them if they would like their own sheet to start collecting signatures on their own.

Please turn in this petition (page 3 and 4) well before Feb 17, 2021 so we can collect, organize, and submit them before then. You can give it to our Grant county captain gilsonsandie@gmail.com or mail it to the address at the bottom of this page. Let us know if you've got more than 50 signatures so we'll know when we have enough.

County Court Required to Meet to Promote Relocating Idaho Border

Section 1. The People of Grant County find that:

- 1) Borders between states have been moved or redefined many times in United States history. For example, after West Virginia was admitted to the Union in June 1863, the Virginia / West Virginia border was relocated to transfer Berkeley County to West Virginia in August 1863, and then relocated in November 1863 to transfer Jefferson County.
- 2) Article XVI of the Constitution of Oregon provides for the relocation of state boundaries.
- 3) Oregon and Idaho could legislate an interstate compact to place the following counties under the jurisdiction of Idaho rather than Oregon: Baker, Coos, Crook, Curry, Douglas, Gilliam, Grant, Harney, Jackson, Josephine, Klamath, Lake, Malheur, Morrow, Sherman, Umatilla, Union, Wallowa, and Wheeler. The following territory could also be under the jurisdiction of Idaho rather than Oregon:
 - a) That portion of Wasco County that is east of the Deschutes River, plus the City of Maupin
 - b) All of Jefferson County except Deschutes National Forest and Warm Springs Indian Reservation
 - c) Deschutes County communities of Terrebonne, Redmond, southeastern Deschutes County, and La Pine.
- 4) The region defined in this section can expect a great improvement in productivity and a reduction in cost of living when these areas are freed from Oregon regulations and taxes. This will make it a financial boon to Idaho.
- 5) The region defined in this section has approximately 21% of Oregon's population. According to 2017 US government BEA statistics, adjusted for state prison population, this region had a per capita personal income of approximately \$41,248 per year, similar to that of Idaho, but Oregon as a whole had a per capita personal income of approximately \$48,137 per year. This means that the budget of the state of Oregon would improve if it allowed these areas to fall under the jurisdiction of Idaho.
- 6) The region defined in this section votes differently than the remainder of Oregon and desires different policies from its state government. It gave about two votes to Donald Trump in the 2016 presidential election for every vote it gave to Hillary Clinton, similar to Idaho. In contrast, the remainder of Oregon gave more than 1.6 votes to Hillary Clinton for every vote given to Donald Trump.

Section 2.

- 1) Whereas it is the sense of the people of Grant County that it is in the interest of Grant County that Oregon begin negotiations with Idaho to relocate the Oregon/Idaho border to make the territory of Grant county become territory of Idaho,
- 2) Therefore, the people of Grant County ordain as follows:

The Grant County Court shall meet on the first Wednesday of every April, August, and December to discuss how to promote the interest of Grant County in the relocation of Idaho state borders, irrespective of any other meeting dates that may be determined by the Court.

County Court Required to Meet and Discuss Relocating Idaho Border

Question: Are you in favor of requiring the Grant County Court to meet and discuss relocating into the State of Idaho?

Summary: Referendum Petition No. 12-77 proposes a requirement for the Grant County Court to meet on the first Wednesday of every April, August, and December to discuss whether it is in the best interest of Grant County to promote the relocation of the Oregon-Idaho border such that Grant County would become part of the State of Idaho. This petition is a part of the "Greater Idaho" effort, which is a movement advocating for the adjustment of the current state boundaries of Idaho, Oregon, and California, thereby increasing the size of Idaho to encompass several rural counties that currently fall within the boundaries of Oregon and Northern California. Grant County is one of the nineteen Oregon counties the effort seeks to have moved into the jurisdiction of the State of Idaho. This petition seeks to mandate that the Grant County Court hold three meetings a year for the specific purpose of discussing the merit of promoting the relocation of the Idaho border to encompass Grant County within the State of Idaho.
