

READ HOW TO AVOID BREAKING STATE LAW: *Move Oregon's Border* is not doing a statewide petition this year. Each of our petitions can only be signed by people registered to vote in the specific county mentioned by the petition. If you want the petition for another county, check our website GreaterIdaho.org to see if it is available yet. You don't have to be a resident to collect the signatures: only to sign. So you can collect signatures for multiple counties at the same time if you printed out petitions for each county.

Believe it or not, YOU are a petition circulator. Anyone may collect signatures. If you observed the signing of each signature on the sheet, afterwards, you may sign the bottom of the page as the petition circulator. Make sure you do- a signature is required at the bottom. Even if the only signature you gather is your own signature, you can still be the petition circulator for that page. If you leave it unattended, someone might spoil it by signing it without you witnessing the act. If you leave it out in public, then pick it up again when you are not attending it.

**Page 3 and 4 MUST be printed back-to-back on a single sheet of paper** to be accepted by the state. Both pages must be printed on the same sheet of paper. Print on 8½ by 11 inch white paper of at least 20lb weight (normal paper). Print each page at least once, and print page 3 and 4 as much as necessary, and bring them when collecting signatures. If you can't figure out how to turn the paper over to print back-to-back, ask a copy store to do it; but if you only want to collect one signature, you may email us at [bm1greateridaho@gmail.com](mailto:bm1greateridaho@gmail.com) for an e-sheet. E-sheets are printed too, but only on one side.

Many Oregonians have found that the state recently messed up their voter registration. When someone is

Please turn in this petition (page 3 and 4) well before Feb 17, 2021 so we can collect, organize, and submit them then. You can give it to our Klamath County captain, Tim Pimley 541-499-4203 in Klamath Falls or in La Pine call 541-433-2555 (land line), or mail it to the address at the bottom of this page. Let us know if you've got more than 50 signatures so we'll know when we have enough.

## Creates New Board to Promote Relocations of State Borders

### Section 1. Findings of the people of Klamath County:

- 1) Whereas borders between states have been moved or redefined many times in United States history; for example, after West Virginia was admitted to the Union in June 1863, the Virginia / West Virginia border was relocated to transfer Berkeley County to West Virginia in August 1863, and then relocated in November 1863 to transfer Jefferson County, and
- 2) Whereas Article XVI of the Constitution of Oregon provides for the relocation of state boundaries, and
- 3) Whereas this ordinance does not attempt to move state or county borders, but merely addresses the County's rightful role in advocating for its interests in changes to the County caused by border relocations, and
- 4) Whereas Oregon and Idaho could legislate an interstate compact to place the following counties under the jurisdiction of Idaho rather than Oregon: Baker, Coos, Crook, Curry, Douglas, Gilliam, Grant, Harney, Jackson, Josephine, Klamath, Lake, Malheur, Morrow, Sherman, Umatilla, Union, Wallowa, and Wheeler; the following territory could also be under the jurisdiction of Idaho rather than Oregon:
  - a) That portion of Wasco County that is east of the Deschutes River, plus the City of Maupin
  - b) All of Jefferson County except Deschutes National Forest and Warm Springs Indian Reservation
  - c) Deschutes County communities of Terrebonne, Redmond, southeastern Deschutes County, and La Pine, and
- 5) Whereas the region defined in this section can expect a great improvement in productivity and a reduction in cost of living when these areas are freed from Oregon regulations and taxes; this will make it a financial boon to Idaho, and
- 6) Whereas the region defined in this section votes differently than the remainder of Oregon and desires different policies from its state government; it gave about two votes to Donald Trump in the 2016 presidential election for every vote it gave to Hillary Clinton, similar to Idaho; in contrast, the remainder of Oregon gave more than 1.6 votes to Hillary Clinton for every vote given to Donald Trump, and
- 7) Whereas the relevancy of this ordinance is not temporary because one border relocation does not prevent the same border or another border from being relocated later, and
- 8) Whereas other county boards or committees have been created by ordinance in Klamath County, as in Klamath County Code 107.001 and 405.300, and
- 9) Whereas the purpose of this ordinance is to increase the chances that state border relocations will be favorable to the interests of Klamath County, and
- 10) Whereas it is the sense of the people of Klamath County that it is in the interest of Klamath County that Oregon begin negotiations with Idaho to relocate the Oregon/Idaho border to make the territory of Klamath county become territory of Idaho,

Should a Board be created to study state border relocation benefits for Klamath county citizens?
