

**HOW TO COLLECT SIGNATURES ACCORDING TO STATE LAW:**

Move Oregon's Border is not doing a statewide petition this year. Each of our petitions can only be signed by people registered to vote in the specific county mentioned by the petition.

Believe it or not, **YOU are a petition circulator.** Anyone may collect signatures. If you observed the signing of each signature on the sheet, afterwards, you may sign the bottom of the page as the petition circulator. Make sure you do- **a signature is required at the bottom.** Even if the only signature you gather is your own signature, you can still be the petition circulator for that page. If you leave it unattended, someone might spoil it by signing it without you witnessing the act. If you leave it out in public, then pick it up again when you are not attending it.

**Page 3 and 4 MUST be printed back-to-back on a single sheet of paper** to be accepted by the state. Just turn the page over and run it through the printer again. Print on 8½ by 11 inch white paper of at least 20lb weight (normal paper). Print page 2 at least once, and print page 3 & 4 as much as necessary, and bring them all when collecting signatures. If you can't figure out how to print back-to-back, ask a copy store to do it

Many Oregonians have found that the state messed up their voter registration. When someone is willing to sign, first ask them to help you verify that his voter registration is **active** and located in the correct county. They can not sign unless this is true. They can update their registration online on the spot, with their current address. Use a voter registration site such as:

[secure.sos.state.or.us/orestar/vr/showVoterSearch.do](https://secure.sos.state.or.us/orestar/vr/showVoterSearch.do)

You can mail it directly to us at Move Oregon's Border, PO Box 1073, La Pine, OR 97739 to arrive by Feb 14, 2022 (or Feb 28). Let us know if you've got more than 50 signatures so we'll know when we have enough.

You can contact us at [greateridaho.org](http://greateridaho.org) If you'd like to include a check with your petition, make it to Citizens for Greater Idaho. Donations are not tax-deductible.

Recruit: If someone signs, ask them if they would like their own sheet to start collecting signatures on their own. We are here to collect signatures, but also to build the movement and campaign for a big yes vote.

Text of ordinance: Makes County Board Responsible for Promoting Moving Oregon/Idaho Border

Section 1. The People of Umatilla County find that:

- 1) Borders between states have been moved or redefined many times in United States history. For example, the border between Minnesota and North Dakota was relocated by an interstate compact approved by United States Congress H.R. 7189 (August 25, 1961).
- 2) Oregon and Idaho could legislate an interstate compact to place the following counties under the jurisdiction of Idaho rather than Oregon: Baker, Coos, Crook, Curry, Douglas, Gilliam, Grant, Harney, Jackson, Josephine, Klamath, Lake, Malheur, Morrow, Sherman, Umatilla, Union, Wallowa, and Wheeler. The following territory could also be under the jurisdiction of Idaho rather than Oregon:
  - a) That portion of Wasco County that is east of the Deschutes River, plus the City of Maupin
  - b) All of Jefferson County except Deschutes National Forest and Warm Springs Indian Reservation
  - c) Deschutes County communities of Eagle Crest, Terrebonne, Redmond, Alfalfa, southeastern Deschutes County, Three Rivers (east of Deschutes River), and La Pine.
- 3) The region defined in this section can expect a great improvement in productivity and a reduction in cost of living when these areas are freed from Oregon regulations and taxes. This will make them a financial boon to Idaho.
- 4) The region defined in this section has approximately 21% of Oregon's population. According to the 2017 US government BEA statistics, adjusted for state prison population, this region had a per capita personal income of approximately \$41,248 per year, similar to that of Idaho, but the remainder of Oregon had a per capita personal income of approximately \$50,006 per year. This means that the budget of the state of Oregon would improve if it allowed these areas to fall under the jurisdiction of Idaho.
- 5) The region defined in this section votes differently than the remainder of Oregon and desires different policies from its state government. It gave about two votes to Donald Trump in the 2016 presidential election for every vote it gave to Hillary Clinton, similar to Idaho. In contrast, the remainder of Oregon gave more than 1.6 votes to Hillary Clinton for every vote given to Donald Trump.

Section 2.

- 1) Whereas it is the sense of Umatilla County that Oregon should begin negotiations with Idaho to relocate the Oregon/Idaho border to make this county a county of Idaho,
- 2) Therefore, the people of Umatilla County ordain as follows:

The Umatilla County code is amended to append these words to the end of § 31.02 (D):

Commissioners are also responsible for promoting the interest of Umatilla County in becoming a county of Idaho. This responsibility includes overseeing a program to:

- 1) Provide information to members, officers, employees, and agents of the United States Senate, the United States House of Representatives, the Oregon Senate, the Oregon House of Representatives, the Idaho Senate, the Idaho House of Representatives and Federal, State of Oregon, and State of Idaho agencies, and other County governments. Also, to make requests, to any of the aforementioned people, that are likely to influence negotiations to be more beneficial to the interests of the County.
- 2) Make the County prepared for relocations of state borders, at times and to the extent that there are indications that a relocation is becoming likely.

Caption: An ordinance requiring cooperation with efforts to join Idaho

Question: Should a new ordinance require County Commissioners to promote and participate in negotiations to join the State of Idaho?

Summary: This initiative would amend the Umatilla County Code of Ordinances to require the County Commissioners to participate in any future negotiations to admit Umatilla County to the State of Idaho. The initiative does not attempt to move state borders, but defines the duties of County Commissioners in the event of negotiations to move state borders. County Commissioners would be required to negotiate in Umatilla County's best interest with State, Federal, other County governments, and any other governmental bodies or agencies. The Commissioners would be required to provide or request information regarding negotiations from other parties involved in moving state borders. If it appeared likely that Umatilla County would join the State of Idaho, then the Umatilla County Commissioners would be required to prepare the County for any changes resulting from admission to Idaho. The initiative would also require County Commissioners to promote and advance the interest of Umatilla County in becoming a County of Idaho.
